

EDUGENIE — CUSTOMER JOURNEY MAP

=====

STAGE 1: AWARENESS

Aditya hears about EduGenie from a friend or a YouTube tutorial.

Emotion: Curious, hopeful.

STAGE 2: CONSIDERATION

He opens the app and sees five clear options: Ask, Explain, Summarize, Quiz, Learn. The interface is clean and simple.

Emotion: Interested, willing to try.

STAGE 3: FIRST USE (Q&A)

He types "Which is the largest ocean?" and clicks Get Answer.

The answer appears in under 10 seconds.

Emotion: Impressed, encouraged.

STAGE 4: EXPLANATION

He types "Photosynthesis" and clicks Explain. Gets a student-friendly explanation in simple language.

Emotion: Relieved, satisfied.

STAGE 5: QUIZ

He pastes a paragraph from his textbook and clicks Generate Quiz.

Gets 3 MCQs with 4 options each in JSON format.

Emotion: Engaged, ready to learn more.

STAGE 6: LEARNING PATH

He types "SQL" and clicks Get Recommendations. Receives a structured beginner-to-advanced roadmap with resources.

Emotion: Motivated, empowered.

STAGE 7: DAILY USE

He keeps EduGenie open as a tab and uses it every day for a semester.

Emotion: Dependent on the tool, grateful.

PAIN POINTS AVOIDED

- No costly tutoring**
- No complex interfaces**
- No unreliable Google search**
- No paid AI subscription**
